I just printed for myself page i-page 24. Do you want any the appendices? It is 113 pages in all.

Thank you for finding this! I printed already for us and brought with me:

- Copies of the fact sheet
- Excerpts from Rad RACR
- Main narrative of non-rad RACR
- I finally found the 2 copies of the Fact sheets on transfers, etc., that you gave me for Dr. Tompkins, so those are in my bag.

I didn't find the Feasibility Assessment last time I checked, but I'm glad they have posted it and you found it! Can you print 1 copy for us to share for tomorrow night's mtg?

I'd appreciate it!
